Eng Rdg
SciRng Date Taken

SAT Math Total Score
Verbal Date Taken

Year in College
○ Freshman
○ Sophomore
○ Junior
○ Senior

Transfer Students Only

Colleges/Universities attended Major Dates Cum. GPA

Submit an unofficial copy of your college transcripts to the department.

Submit two recommendations from school officials such as teachers or counselors who can specifically assess your academic performance. We prefer that these use the Department’s recommendation form (at http://www.metallurgy.utah.edu or attached). Letters of recommendation will be coming from:

(1) Name email
(2) Name email

I ○ waive my right to have access to the recommendations.
○ do not waive
Do you anticipate a possibility you may wish to take time off for work, military service, religious service (e.g., a mission), family responsibilities, etc., deferring your enrollment at the university until a future date? Please explain.

What is your motivation for wanting to study Metallurgical Engineering?

List pertinent scholarly accomplishments
(Advanced Placement or International Baccalaureate courses, academic awards, science projects, etc.)

List extracurricular activities, special awards, leadership positions, and community and leadership activities in which you have been involved.

Describe employment, including number of hours per week.

Students who receive a scholarship, fellowship, or other financial aid administered by the University of Utah are required by state law (SB-81) to certify that they are eligible to receive the scholarship as a U.S. citizen or a citizen of another country who is lawfully present in the U.S. If students do not know whether they are in the U.S. lawfully, they should seek the advice of an immigration attorney before filing a scholarship/financial aid application.

Prior to the disbursement of any scholarship/financial aid, the University of Utah is required by law to verify the recipient's citizenship status or lawful presence in the U.S. with the Department of Homeland Security (DHS). Once the University submits a student's information to DHS for verification, this federal agency may have the legal right to share the information with other government agencies.

☐ I understand that, if I accept a scholarship, I must register for a minimum of 12 credit hours per semester, follow the outlined program (or an approved version thereof) in the University Catalog leading to a degree in Metallurgical Engineering, and maintain a 3.0 or better grade-point average each semester. Prior to registration each semester, I must meet with and get approval from the department's undergraduate advisor of my planned course schedule. I understand that failure to meet these requirements may jeopardize the scholarship.

☐ By signing this application, I certify under penalty of perjury that I am either a U.S. citizen or a citizen of another country who is lawfully present within the U.S. I understand that my lawful presence within the US. will be verified through the Department of Homeland Security, prior to an award of this scholarship/financial aid.

☐ I certify that the information provided on this form is true to the best of my knowledge. I understand that any transcript of credits that I may provide may be reviewed by scholarship committee members.

Submit to the address at right (a) the application, (b) an unofficial copy of your high school and (if applicable) college transcripts, (c) a copy of your ACT or SAT scores, and (d) two letters of recommendation from school officials such as teachers or counselors who can specifically assess your academic performance. Make a copy of your application for your records.

Submit by the deadline to
University of Utah
Department of Metallurgical Engineering
135 S 1460 E Rm 412
Salt Lake City UT 84112-0114
or fax to 801-581-4937
